in ancient wisdom for the good life ralph k hawkins turns our attention to the bible s wisdom literature job psalms proverbs ecclesiastes and song of songs and how it can correct us train us in righteousness and ultimately empower us for successful living these are some of the most inspired writings on the good life the world has ever known in which ancient israel s sages wrote about how to live stable harmonious productive and joyous lives together they interlock to cover the entire field of wisdom providing contemporary readers with the tools to develop a unified world view with god at the center ancient wisdom for the good life culls out the guidance of ancient israel s sages for a modern society that has been cut adrift from its moorings full of wisdom and practically written this book could be used as a supplementary text in an undergraduate or seminary course in the wisdom literature and it would certainly be useful for pastors in their sermon preparation or even just general reading table of contents winning and the wisdom literature a mindset of integrity a mindset of community a mindset of communication a mindset of cause and effect a mindset of goal setting a mindset of work a mindset of health a mindset of abundance a mindset of joy about the author ralph k hawkins phd andrews university is professor of religion and director of the program in religion at averett university he is co director of the jordan valley excavation project jvcp and the author of several books including the iron age i structure on mt ebal excavation and interpretation eisenbrauns how israel became a people abingdon press and discovering exodus content interpretation reception spck eerdmans an anglican priest hawkins has also written pastoral books including while i was praying finding insights about god in old testament prayers smyth helwys and leadership lessons avoiding the pitfalls of king saul thomas nelson

ancient wisdom for modern life timeless principles for success and happiness offers a profound exploration of the timeless wisdom passed down through the ages presenting practical insights and guidance for navigating the complexities of contemporary existence drawing upon the teachings of ancient philosophers spiritual leaders and sages from diverse cultures and traditions this book distills centuries of wisdom into actionable principles that can help readers cultivate success fulfillment and inner peace in their lives whether it s harnessing the power of mindfulness from eastern philosophies embracing the stoic virtues of resilience and acceptance or incorporating the wisdom of indigenous cultures into our daily practices ancient wisdom for modern life offers a treasure trove of insights to help navigate the challenges of the modern world with grace and wisdom whether you re seeking personal growth professional success or simply a deeper sense of meaning and fulfillment this book serves as a timeless guide for integrating ancient wisdom into our modern lives discover the transformative power of ancient wisdom and unlock the secrets to a more fulfilling and meaningful life

at a time and in a culture where science and technology have taken over from religious belief when ethics are understood primarily in terms of aesthetic choice or legality how are we to formulate moral principles to guide us in our daily lives though religion can certainly help in this the dalai lama demonstrates that there are universal principles we can draw on which transcend the dilemma of belief or unbelief and whilst many have been content to speak of spiritual matters as something mysterious or evanescent the dalai lama explains his approach in terms that are as clear and

concise as they are compelling with wit gentle good sense and with penetrating insight the dalai lama shows how the truths that have stood the test of generations of practise can provide us with the tools to live happy fulfilled and meaningful lives in the process it becomes apparent that he does not merely espouse the feelgood religiosity some accuse him of the reader is left admiring not just the wisdom of the author but the wisdom of the culture he represents

ancient wisdom for changing times

dive into a treasury of timeless insights and reflections in ancient wisdom this book brings together 233 quotes and principles inspired by the profound knowledge embedded in ancient hebrew letters complemented by the enduring wisdom of the bible and personal life experiences each page offers thoughtful interpretations and creative expressions designed to illuminate your path guide your decisions and inspire personal growth incorporating the essential elements of emotional intelligence this book provides readers with tools to enhance their emotional awareness and foster deeper more meaningful relationships whether you re seeking clarity in your journey striving for personal development or simply in need of a moment of contemplation ancient wisdom serves as a beacon of enlightenment and encouragement let these words resonate with you providing guidance and comfort as you navigate the complexities of life

a stoic guide to the art of living a richer more meaningful life plato aristotle socrates epictetus epicurus pythagorus aesop such wisdom now at your fingertips timeless wisdom from these ancient greek philosophers plus others has been condensed by the authors into ten memorable and easy to understand rules that if lived by can enable modern readers to have rich meaningful lives the ten rules represent enduring features of the greek wisdom in a very real sense they defy time and place and represent insights that remain profoundly relevant for contemporary culture they can serve as anti dotes for an age in which much that is true and valuable has been obscured by falsity and misconception accordingly these ancient aphorisms are offered to all those interested in rubbing the dust from their eyes with each chapter examining a rule all chapters begin with a quote from one of the great greek philosophers who inspired the rule followed by a story or explanation of the rule and its importance in life and end with teaching points on which to meditate and reflect from this simple starting point each rule allows the reader to unfurl and explore the richness and depth that can be found in life by embracing the lesson offered any reader searching for meaning will return to this simple slim volume again and again to find tried and true wisdom that spans the ages to speak to us today

this book is intended to place in the hands of the general reader an epitome of theosophical teachings sufficiently plain to serve the elementary student and sufficiently full to lay a sound foundation for further knowledge it is hoped that it may serve as an introduction to the profounder works of h p blavatsky and be a convenient steppingstone to their study those who have learned a little of the ancient wisdom know the illumination the peace the joy the strength its lessons have brought into their lives that this book may win some to con its teachings and to prove for themselves their value is the prayer with which it is sent forth into the world annie besant august

1897

this scarce antiquarian book is a facsimile reprint of the original due to its age it may contain imperfections such as marks notations marginalia and flawed pages because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

this book conveys the ancient wisdom of the magic of numbers in an easy to understand format aimed at both the reader experienced in numerology and the uninitiated this book covers how modern numerology grew and developed over the years including how the term numerology came into use in the western world it uncovers how wisdom is based on numbers and explores whether mere mortals invented numbers as we know them today included also is the mystical aspect of the number zero and the presence of god everywhere including in numbers that are used every day at a practical level the author shares the proper method of computing the final number from the date of birth and untangles the confusion of the mathematics involved in major number computation core numbers are also discussed to help readers work these out in their own lives and in the lives of their friends families and colleagues through his many years of experience the author has had the privilege of studying many live cases one of the most interesting among these is the numerology behind a pair of identical twins which he reveals exclusively in this book
